

Rental

Pneumatic pressure testing units - pump units

Portable hydrostatic pressure testing unit with Haskel air driven pump.

Technical specifications:

- Outlet for external pressure recorder
- Filter regulator for control of air supply
- Outlet for test gauge, 1/2" BSPP female
- Pressure gauges
- ATEX approved for zone 1
- Low weight for easy transportation - can be carried in helicopter

Model	Flow	Pressure
R-TPW06 GSF-35	Max. 31 l/min.	4.500 PSI
R-TPW01 ASF-60	Max. 3,3 l/min.	9.800 PSI
R-TPW41100082 ASF-100	Max. 2,0 l/min.	15.000 PSI
R-TPW09 HSF-225	Max. 0,7 l/min.	30.000 PSI
R-TPW41100083 HSF-300	Max. 0,5 l/min.	50.000 PSI
